

NovaStor Logistics — Master Service Agreement (Extract)

1. Term and Renewal

The minimum term of any storage contract is twelve (12) months. Unless either party gives written notice of non-renewal at least sixty (60) days before the contract end date, the contract renews automatically for successive twelve-month periods.

2. Liability

NovaStor's liability for loss of or damage to stored goods is limited to the insured value, by default one hundred thousand euros (100,000 EUR) per customer, unless a higher coverage is declared in writing and reflected in the contract. NovaStor is not liable for indirect or consequential losses.

3. Payment Terms

Invoices are issued monthly in arrears and are payable within thirty (30) days. Amounts unpaid after the due date may accrue interest, and NovaStor may suspend additional provisioning while an account is overdue.

4. Early Termination

A customer may terminate before the end of the minimum term by giving ninety (90) days written notice and paying an early-termination fee equal to three (3) months of the contracted storage charge.

5. Confidentiality and Data

Each party shall keep confidential the other party's commercial information. Operational data relating to a customer's account is accessible only to that customer and to authorized NovaStor personnel.

6. Governing Law

This agreement is governed by the laws of the Federal Republic of Germany, and disputes are subject to the exclusive jurisdiction of the courts of Hamburg.
